

NAME: _____

The Crucible Quotation Analysis of _____

Choose a prominent character in which you are interested from *The Crucible*. Write a quotation that in some way helps you understand more about that character. Please note the speaker's name, and use MLA format (quotation marks and parenthetical citation). Lastly, and most importantly, analyze the quotation: you need at least two points of analysis! Write neatly or type ☺

<u>Quotation</u>	<u>Inference & Analysis</u>
Example: "Go directly home and speak nothing of unnatural causes" commanded Parris (1238).	<u>Point (Inference)</u> : self-centered <u>Analysis</u> : Parris is afraid of what the town people might think and do if his daughter is sick due to witchcraft, so he insists that Susanna not make assumptions and spread gossip. Ultimately, he is trying to protect his daughter Betty – and his position as reverend.
